MONGOLIA 2007

Applications  
due:  
March 9, 2007

**WHAT?** Using dramas and dances as tools, we will have ministry programs to draw crowds, sharing about God through personal testimony, and talking one on one with people after the programs.

**Estimated Fees:** \$3,895 until March 9, 2007. Includes ministry training time in Orlando, airfare from Orlando, food, housing, sightseeing, equipment, visas, web site communications from the field, a few other surprises plus a fun day at Disney.

**WHEN:** June 25 - July 28  
Upon arriving in Orlando, we will kick off intense training in performing arts. We'll also have teachings, worship, and time spent in smaller groups together preparing for Mongolia.

**WHY:** Like many countries around the world, Mongolia is in great need of hearing about the love of God. You may be sharing Jesus with someone for the very first time!

**AGES:** 15-18 or previous missions experience.
